Keys will be prepared for the teams at RACE OFFICE (ground floor of Control Tower) from **Monday, May 7<sup>th</sup> 2018**. The deposit for the box key is 100 EURO per team. In case that the box is returned defect, this deposit won't be returned. Competitor is obligated to leave the paddock on **Sunday, May 13<sup>th</sup> 2018 until 6.00 AM**.

## 10 BRACELETS, ARMBAND COLOUR

Each rider will receive, during the administrative check a bracelet & one armband of the same color. These must be worn during the entire period of practice and the race. Non-compliance with the rule will result in a "Stop & Go" procedure for the team. Armband color and order number are not related to the starting order of the race.

## 11 NUMBERS

The contracted teams will have a permanent number. The organizers will allocate the numbers to the other teams. Teams who have already participated in an event of the Championship during the season will have priority on other teams for keeping their numbers during the full season. The final decision of the Starting number is subject to the FIM approval. **All teams (contracted & other team) have to bring their own starting numbers!** The motorcycles must be fitted with number plates in conformity with Art. 2.3.12. of FIM Endurance World Championship, Cup Regulations.

## 12 TECHNICAL INSPECTIONS & ADMINISTRATIVE CHECKS

No rider or machines is permitted onto the track unless he/it has passed the technical inspections which will be held according to the following schedule.

**Administrative checks: Wednesday from 09.00 AM to 12.30 PM & from 2.00 PM to 4.30 PM**

**Scrutineering: Wednesday from 01.00 PM to 5.30 PM**

**From Thursday to Saturday, the Technical Verification area will be open each day at least one hour before the first EWC practice session until one hour after the last EWC practice session (30 minutes after the night practice).**

The initial technical inspection will be carried out in the technical control area in the small paddock, according to the timetable and specified in an official notice. All EWC and Superstock classes motorcycles must be submitted for the initial technical inspection within the time specified in the timetable. No technical inspection will be carried out after the specified timeframe, unless specifically permitted by the International Jury due to unavoidable circumstances.

Each accepted Team must present the following for the initial Technical Inspection:

- Motorcycle technical control forms (for the main and spare machine)
- Motorcycles in running order (main and spare)
- Fuel specification form (fuel properties data sheet for race fuels if purchased from outside supplier(s) or purchase sticker for fuel purchased from the fuel station at the circuit). See also [www.fim-live.com](http://www.fim-live.com) for approved race fuels.

Each rider must present: his helmets, leathers, front and back protector, boots and gloves. At least two registered mechanics must be present at the technical inspection.

All motorcycles judged unsuitable for participation in competition under the regulations or for safety reasons will be prohibited from participating in all sessions, including qualifying practice.

Noise control will be carried out on the motorcycles during technical inspection. The date, time and location of noise control will be announced in an official notice.

Teams must present the following items for refueling equipment check:

- Equipment used by all the refueling and fire extinguisher personnel
  - \* Fire-proof clothing (which cover arms & legs completely), shoes, gloves & eye protections.
- Note: Teams must ensure that flame-resistant or fire-retardant property of their equipment is verifiable at technical inspection (through the presence of product tags, catalogues, etc.).
- Fire extinguisher and refueling equipment.

**See also Art. 2.12 FIM Endurance World Championship. In case of doubt, the FIM Endurance World Championship Regulations prevail.**

## 13 BRIEFING

All teams and riders participating in the race must attend the briefing. Failure to attend the briefing in full will result in the disqualification of the rider or the team. An exception may be granted by the International Jury.

<b>Rider's Briefing</b>	<b>Wednesday</b>	<b>6.00 PM</b>	<b>VIP ROOM</b>
<b>Team Manager Briefing</b>	<b>Wednesday</b>	<b>7.00 PM</b>	<b>VIP ROOM</b>

\*Licenses of the riders and teams will be checked

## 14 TIMEKEEPING UNIT (TRANSPONDER)

Competitors must install either the rental transponder provided by the Organizer on the motorcycle. Rental transponder will be remitted by ITS Chrono at the Technical Scrutineering.

### Rider's transponders:

Each rider will receive an armband (blue, yellow and red) with the chip (rider's transponder) already installed inside.

### Motorcycle transponder:

Each team receive a motorcycle transponder. Competitors must install the rental transponder provided by the Organizer, on the motorcycle. Must be installed not higher than 60 cm from the ground surface (see drawing below). Please note that it may not be possible to record a time if the transponder is not mounted in a correct manner/position.

The rental transponders must be returned within 1 hour after the race! (For those machines that did not qualify for the race, the transponders must be returned within 1 hour after the results of the qualifying session concerned are published). The team will have to give back the transponders to the timekeeping company. In the case of non-return of this equipment, the unreturned item will be deducted from the technical costs deposit.

## 15 PRACTICES

It is strictly forbidden to ride racing motorcycles on the course outside the official practice periods. In order to take part in the competition each rider has to complete the minimum qualifying time (110% of time recorded by the fastest rider of his group in at least one of the qualifying session), with a minimum of 3 laps during practices. Each team has to participate in the night practice. The practice sessions will be as follows:

DATE	WARM UP	FREE PRACTICE	QUALIFYING PRACTICE	NIGHT PRACTICE
May 10 <sup>th</sup>	x	11.00AM – 1.00PM	3.00-4.30 PM	8.00-9.30 PM
May 11 <sup>th</sup>	x	x	10.30-12.00 AM	x
May 12 <sup>th</sup>	09.30 - 10.15 AM	x	x	x

\* see details in attached time schedule

## 16 RACE & STARTING PROCEDURE

Date and time of the start: May 12<sup>th</sup> 2018 at 2.00 PM  
Distance: 8 hours

In order to be placed in the race a team must have:

- Crossed the finish line on the track within 5 minutes after the winner.
- Covered at least 75% of distance travelled by the winner of the class.

When the riders reach the grid after the sighting lap(s) they must **stop at the rear of the grid and turn off the engine**. The motorcycle will then be pushed at walking pace by a team member to their grid position. The rider may dismount or remain on the motorcycle to be pushed to his grid position. On the grid, the riders may be attended by **maximum 7 persons**, one of whom may hold an umbrella. All attendants on the grid must wear a "Grid Pass". Having taken up their grid position, the riders must take off their helmets.

**See "2017-2018 Endurance World Championship, Cup Sporting Regulation amendment" in attachment from August 16<sup>th</sup> 2018.**

## 17 PIT STOPS

Any mechanical operation, refueling or riders change must take place in front of the allocated pit. No other motorcycle (or engine) can be stored in or behind the pits. After being repaired, the motorcycle will have to be checked by a Scrutineer before taking the track again. If the rider overshoots his pit stop, up to the level of the last pit stop, he can push his bike in the opposite direction with engine turn off! The speed limit of 60 km/h will be enforced in the pit lane at all times during the event. Any exceeding during the practices will be penalized with 150 Euro. In case of an offence during the race the "STOP&GO" penalty will be applied. During "STOP&GO" procedure, the rider will not be allowed to pit stop & will have to compete a full lap before his next pit stop. It is strictly forbidden to smoke in and in front of the pits.

## 18 RACING CONDUCT – STOPPING ON THE TRACK

Rider may not leave his machine while stopped on the circuit. Violation of this rule can be punished with disqualification from the race. Any rider who has to stop on the track during the race shall immediately push the motorcycle to the edge of the track so that other competitors are not endangered.

Any rider receiving outside assistance of any kind from anybody will be disqualified unless this assistance is given for safety matters or if such assistance is provided in accordance with the FIM Regulations Art. 1.15.6: If the team so wishes, it can ask for assistance for the rider and its bike to be taken back in a vehicle provided by the organizers. In that case, both will be dropped in front of the technical control building. From this point, 2 persons from the team are allowed to bring the machine back to the pits under a track marshal control. His lap will be counted in his end-of-race total. **This procedure is also valid in case of a rider being transported to the medical center. His machine can be brought back and one of his team-mates can resume the race.** If several teams ask for such assistance following a problem involving a number of riders, the teams will be assisted in the order of the starting grid. Four (4) vehicles will be available on the track for this use.

Riding or pushing a motorcycle in opposite direction to the race is forbidden, except marshals give instruction to do so. In case of a breakdown in front of the pits, the rider may, under surveillance of a marshal, return by the pit exit lane, engine switched off. He must push his machine in the opposite direction until he reaches his pits.

**Taking short cuts on the track are forbidden!**

## 19 PRIZE-GIVING

Trophies and Cups will be presented on the Podium next to the main grandstand (over the Winner Enclosure area). The prize-giving ceremony takes place for the first 3 teams in each class right after the race on Saturday, May 12<sup>th</sup> 2018 (approx. 10.30 PM).

## 20 PROTESTS AND APPEALS

All protests & appeals must be made in accordance with the requirements of the FIM Endurance Disciplinary & Arbitration Code and be accompanied by a fee of **660 Euro**.

**See Article 3.4 of the FIM EWC, Cup Regulations.**

## 21 FUEL

Fuel has to be in conformity with the Article 2.10.1 of the Endurance Technical Rules.

## 22 INSURANCE

By endorsing the application form for entry the FMN of the rider certifies that the rider is insured in accordance with the FIM requirements. In conformity with Article 110.1 of the Sporting Code, third party insurance in respect of riders covering accidents occurring during the meeting including practices will be the responsibility of the organizer.

This insurance includes a guarantee of 1 000 000 Euro. The organizers disclaim all responsibility for damage to a motorcycle, its accessories and components arising out of an accident, fire or other cases.

## 23 REUNCIATION OF ANY RECOURSE AGAINST SPORTING AUTHORITIES

Apart from the requirements of the FIM Sporting Code, riders and teams by participating renounce all rights of appeal against the organizer, his representatives or agents by arbitration or before a tribunal or any other manner not foreseen by the FIM Sporting Code for any damages for which they could be liable in consequence of all acts or omissions on the part of the organizer, his officials, representatives or agents in the application of these regulations or contributed to or arising out of their actions.
